

THE BEAT

SUMMER 2025

GREETINGS

Sharpen your expertise in veterinary cardiology. This issue of **The Beat**, brought to you by the Cardiac Education Group (CEG), offers time-saving updates and expert-driven content tailored for your demanding schedule.

- **New ECG Case Studies** offer details on ECG interpretation and treatment processes
- **Practice Pointers Updates** support you in making informed, confident decisions

Keep your team informed by forwarding this newsletter to your co-workers and fellow professionals. For ongoing access to these trusted resources be sure to visit the [CEG website](#) frequently.

NEW

NEW ECG CASE STUDIES HUB

Strengthen your ECG reading skills with our latest case studies. Explore real-life patient scenarios complete with clinical backgrounds, ECG tracings, and guided analysis of diagnoses and treatments. Each case offers a chance to test your knowledge and refine your clinical decision-making in feline and canine cardiology. Are you ready to elevate your knowledge?
